Space Requests Recommended for Action

The following requests were presented for review and action on July 24. This action meeting is the condition of the July 24 recommendations to defer a decision until further discussion could be had. The recommendations from this action meeting will be forward to the Space Steering Committee (SSC).

1. Student Affairs has withdrawn the request for Cone 175 to accommodate Student Affairs IT help desk. The request includes relocating staff from Student Union, RDH, King, and SHC to consolidate the Student Affairs IT staff while also providing office space for new hires.
 - Alternate locations for the Student Affairs request for space for IT help desk will be presented at the next SPACe meeting.
2. Student Affairs has updated the request from LGBTQ+ for space to be used as a center for students, faculty, and staff who identify within the LGBTQ+ community to include Cone 172 or 313 as options for the requested space.
 - The recommendation is to allocate Cone 172 to Student Affairs for the LGBTQ+ center.
 - Phil Jones motioned to approve the recommendation. Jay Raja seconded the motion, and the motion passed.
3. College of Computing and Informatics (CCI) has requested Cone 172 and 175 for an instructional computer classroom and space for twelve teaching assistants. CCI is currently the fastest growing college at UNC Charlotte and requires additional space to accommodate students, faculty, and staff.
 - The recommendation is to allocate Cone 175 to CCI for an instructional computer classroom.
 - Phil Jones motioned to approve the recommendation. Jay Raja seconded the motion, and the motion passed.

Next SPACe Meeting: Monday, August 27, 2018 in HRL 103
