All requested documentation and materials must be provided to Edifice, Inc. by the trade contractor in less than 10 days from acceptance of trade package contract by Edifice, Inc. Failure to provide any documentation will be grounds for rejection of the bid. Utilize the AIA Document A310 for the bid bond security form. Bid security will be returned to all bidders in due time after the lowest responsible, responsive trade package contractor is determined and a contract agreement had been executed by all parties.

Bonding requirements for the project: The ability to provide Payment and Performance Bonds is required on all subcontracts of \$500,000 or greater. In addition, the ability to provide Payment and Performance Bonds is required on any two (or more) trade packages that total \$500,000 or more. Performance and Payment Bonds will be for the full amount of the contract and will be submitted prior to executing the work. This requirement is subject to the judgment and direction of the Owner and Construction Manager.

Bids shall be made upon the form of proposal provided by Edifice, Inc. for the applicable trade package. All forms must be filled out completely and accurately with all applicable information. Do not alter, change or add to the bid forms in any way, shape or form, this or any added clarifications may result in your bid being withdrawn from consideration. All bids must be signed by an authorized Owner or Officer of the company. **Please consult the Bid Manual for all forms.**

No bids may be withdrawn for a period of 90 days after receipt of bid. The CM and Owner reserve the right to reject any and all bids, to waive any and all irregularities or informalities in any bid as allowed by applicable law and to award any contract to other than low bidder should it be deemed in their best interest.
