RICHARDSON STADIUM EXPANSION PHASE 1

APRIL 2, 2:00PM

The Richardson Stadium Expansion will include major upgrades with the construction of a new west stadium tower over four existing structures, featuring premium seating options. Additional scope includes sports lighting upgrades, infrastructure and code upgrades, as well as additional concourse level restrooms and concessions. Work is expected to begin Fall 2025.

Phase 1 Trade Packages Include:

- P1-03A – Concrete
- P1-03C – Stadia (Precast)
- P1-05A – Structural Steel
- P1-14A – Elevators
- P1-26B – Long Lead Electrical Equipment
- P1-26C – Electrical Enabling
- P1-31A – Earthwork & Site Utilities
- P1-31B – Deep Foundations
- P1-32A – Unit Pavers
- P1-36A – General Trades (includes selective demo)
