SECTION 2. DOCUMENTS

Complete plans, specifications and contract documents will be open for inspection at:

Construction Manager – DPR Construction, 200 Southside Dr. Charlotte, NC 28212
Please reach out to Rebekahru@dpr.com.

Digital (Electronic) plans, specifications and contract documents are available at the following:

Building Connected – <https://www.buildingconnected.com/> - Access will be provided to all pre-qualified contractors.

- 2.1. **The Attachment 1 & Attachment 1A** of these bid documents for a complete listing of documents. These documents and any addenda issued shall become Contract Documents to the successful bidders.

- 2.2. **On File at DPR:** Documents noted on Attachment 1 & 1A by an asterisk (*) are not distributed with the bid packages but are on file at DPR's office and available for your review. Failure on part of the subcontractor to review all the documents prior to the bid shall not alleviate the Subcontractor from the responsibility of complying with the requirements of these documents and including all costs associated with them in their bid.
- 2.3. **Sample Subcontract Review:** The sample subcontract is included in this bid package. It is the bidding firm's responsibility to review this and provide any comments and or requested modifications during the bid period. This does not ensure any modifications will be accommodated, but no variance will be accepted after the bids are submitted. Acknowledge review of the document on the Attachment 2.

SECTION 3. SUBMISSION AND FORM OF BID

- 4.1 **Changes to Instructions or Subcontract Bid Package:** No changes to these Instructions to Bidders or the Subcontract Bid Package shall be made unless included in an official Amendment to the Subcontract Bid Package issued only by DPR or Addendum issued by the Architect.
- 4.1.1 **By Invitation Only:** Only bids from invited prequalified subcontractors will be accepted. Awards will only be made to prequalified subcontractors. If you are unsure of your current prequalification status with for Burson Building Project, please contact Katarina Hastings, katarinaH@dpr.com to check your current prequalification status.
- 4.2 **Valid 90-Days:** All bids, once submitted, shall remain valid and binding for ninety (90) days. DPR Construction has at any time during that ninety (90) day period the right to accept the bid without any changes in either price or time.
- 4.3 **Bid Form / Attachment 2:** The Bid Form and Commercial Terms section of Attachment 2 shall be completed in their entirety by the bidder who shall provide all requested information and acknowledge specific documents. The Bid Form will be signed by a duly authorized agent of the company as acknowledgement of your bid. Attachment 2 identifies this trades scope and commercial terms that will be incorporated into the successful subcontractor contract pending final negotiations with the successful bidder. Bidder's proposal qualifications may be listed as a separate attachment to the completed Bid Form and Attachment 2.
- 4.3.1 On bid day, a lump sum dollar amount will be accepted for the base contract scope of work utilizing the "Form of Proposal" document. This lump sum dollar amount is inclusive of all scope of work and allowances that are detailed within each respective "Attachment 2 Scope of Work".
- 4.3.1.1 The lowest apparent bidder will be required to submit a detailed cost breakdown per the "Attachment 2 – Scope of Work" 24 hours after the bid opening.
- 4.3.2 All costs associated with scheduled alternates, allowances, and unit rates noted on the Form of Proposal shall be provided on bid day within the sealed bid.
- 4.3.3 **Alternates:** Bid alternates are identified on the Attachment 2 – Bid Forms. Reference the SCO Instructions to Bidders, Section 1, OC-15, within the Contract Specification Manual for further detail. All costs including, but not necessarily limited to, labor, burden, fringes, payroll taxes, markup for overhead and fee (i.e.: home office administration, estimating, management, profit, etc.) etc., are to be reflected in these alternates. The alternates will also include all miscellaneous direct and indirect job expenses such as small tools, travel time, pickup trucks, delivery, cartage, safety, training, detailing, supervision and field office expenses. Refer to project manual for proper processing procedures for substitution requests.
- 4.3.3.1 **All substitution requests shall be submitted and received no later than Monday, September 8th at 3pm.**

4.5 Complete Bid: All proposals must include the following or be considered grounds for rejection of the bid. Please include these from top to bottom within your sealed envelope in this order.

- 4.5.1 **Bid Security:** Each proposals shall be accompanied by a **cash deposit or a certified check** drawn on some bank or trust company, insured by the Federal Deposit Insurance Corporation, of an amount equal to not less than five percent (5%) of the proposal, or in lieu thereof a bidder may offer a bid bond of five percent (5%) of the bid executed by a surety company licensed under the laws of North Carolina to execute the contract in accordance with the bid bond, for bids for the amount of \$100,000 or greater. Said deposit shall be retained by the owner as liquidated damages in event of failure of the successful bidder to execute the contract within ten days after the award or to give satisfactory surety as required by law. Bid Bonds should be completed using the **State of North Carolina standard bid bonds form** included in Exhibit 13.
- 4.5.2 **Minority Participation:** The bidder shall include with their Attachment 2 Bid Form, the Identification of Minority Business Participation form identifying the minority participation they will use on the project and either **State of North Carolina AFFIDAVIT A or B**. Forms and instructions are included in the CD Manual. Failure to complete these forms is grounds for rejection of the bid. (GS143-128.2c Effective 1/1/2002.)
- 4.5.3 **Bid Form:** Completed bid form (Attachment 2). All sections are to be completed including section C. Acknowledgements & Acceptance.
- 4.5.4 **Supplemental Information:** When provided as a requirement of the bid package
- 4.6 **Reviewed All Documents/Existing Conditions:** By submitting a bid, the subcontractor acknowledges they have thoroughly reviewed and evaluated all the documents and the existing site conditions and their bid accurately reflects what is required to complete their portion of the work. The subcontractor shall not be allowed any additional compensation for any conditions or issues which the subcontractor might have fully informed themselves' about prior to submitting a bid.

- 4.7 **Accept, Reject and Informalities:** The Owner and DPR Construction reserve the right to waive any informality in any bid received. The Owner and DPR Construction also reserve the right to accept or reject any or all bids received.
- 4.8 **Schedule:** By submitting the bid, the subcontractor acknowledges that they have reviewed the schedule, understands the time frames and flow of the work and can accomplish the same (including meeting interim milestones), for the bid amount submitted. Each Bidder must indicate on Attachment 2 its acceptance of the start dates, time frames and completion dates for all activities affecting the scope of work.
- 4.9 **Tier Subcontractors:** Each subcontractor shall provide a listing of all Sub-Subcontractors who will be involved with this project at the time of bid and annotate these tiered subcontractors on the Attachment 2 – Bid Form. Also, indicate the type and extent of their involvement (e.g. miscellaneous material suppliers, structural steel fabrication, etc.).
- 4.10 **Licensing:** All contractors are hereby notified that they must have proper license as required under the state laws governing their respective trades.
- 4.11 **Quality:** If requested by DPR Construction and as a condition of award, bidders shall submit a Quality Control plan for RPR's approval within 5 working days after bids are received that includes, a resume of the Quality Control Inspector, references from previous clients, a description of internal QC training programs, lessons learned processes, and a project specific QC approach.

SECTION 4. AWARD OF SUBCONTRACT

- 4.1. **Notification:** According to North Carolina State Construction Office bidding guidelines, the bids will be opened and read aloud. However, the subcontractor that is determined to be the apparent lowest responsible and responsive bidder will be notified only after a thorough review and evaluation of all bids has been made by DPR Construction, the Owner and the Architect/Engineer.
- 4.2. **Post Bid Evaluation:** Bidder(s) may be invited to an in-person post-bid review at UNC Charlotte or DPR Construction. All bidders would be responsible for travel arrangements as well as costs for such meetings and plan accordingly.
- 4.3. **Contract Date:** The successful subcontractor will initially be notified verbally not necessarily with a letter of intent by DPR. The date of the verbal authorization to proceed will become the subcontract agreement date. Refer to Subcontract Section 29.

SECTION 5. BOND REQUIREMENTS

5.1. Payment and Performance Bonds

- 5.1.1. Payment and performance bonds are not required at this time; however, they may be required prior to contracting. If bonds do become a requirement, then within ten (10) days of receiving a subcontract or before starting work, the Subcontractor will furnish DPR Construction with a complete Labor, Material Payment Bond and a Performance Bond. Said bonds will be issued by a commercial surety and in a form acceptable to DPR Construction. DPR Construction reserves the right to require a bond for any Subcontractor, and in such case, the subcontract amount will be increased by the amount of the bond premium. All subcontractors shall be bondable for an amount equal to 100% of their bid including any alternates. **Subcontractors are not to include the bond amount in the Base Bid.**

5.1.1.1. The cost for a P&P Bond is required to be submitted as an alternate.

5.2. Bid Bonds:

- 5.2.1. Each Proposal must be held binding and may not be withdrawn for Ninety (90) calendar days.

- 5.2.2. All bonds executed in connection with the project must be executed by an Attorney-in-Fact in the project state on behalf of the Surety Company licensed to do business in the project state.
- 5.2.3. For Bids the amount of \$100,000 or greater, Bid security in the amount of five percent (5%) of the maximum amount of the potential Subcontract award must accompany each Proposal in the form of a certified check or a bid bond made payable unconditionally to the Contractor. The successful Bidder's security will be retained until he has signed the Subcontract Agreement and furnished all documentation required to be submitted with the executed Subcontract Agreement, which he must do within ten (10) days of Notice of Acceptance. If the Bidder offered the Subcontract refuses to enter into the Subcontract Agreement, the Contractor may execute his bid security as liquidated damages but not as a penalty.
- 5.2.4. The required bid security will be returned to all Bidders as soon as possible.
- 5.2.5. Contractors Bid Bond form is the only acceptable bid bond form. The Form of Bid Bond form is included in Exhibit 13 – Contractor Bid Bond dated 09/23/2025.

5.3. Withdrawal and Modification of Bids:

- 5.3.1. Bids may be withdrawn upon written request received from the Bidder prior to the time fixed for bid opening. Any Bidder who withdraws a bid may not resubmit a bid for this project. Modifications in writing will be considered when received prior to the time set for the bid opening. Bids may not be withdrawn or modified after the bid opening except where identification of the apparent low Bidder has been delayed for more than sixty (60) days.
